RoHS DECLARATION OF CONFORMITY

Rade Koncar Kontaktori I relei declares that all the products, accessories and services, meet the requirements laid down in Directive No. 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of use of certain hazardous substances in electrical and electronic equipment Commission Delegated Directive (EU) 2015/863 of 31 March 2015 amending Annex II to Directive 2011/65/EU of the European Parliament and of the Council as regards the list of restricted substances given below.)

Lead 0,1%

Mercury 0,1%

Cadmium 0,01%

Hexavalent chromium 0,1%

Polybrominated biphenyls (PBB) 0,1%

Polybrominated diphenyl ethers (PBDE) 0,1%

Bis(2-Ethylhexyl) phthalate (DEHP) 0,1%

Benzyl butyl phthalate (BBP) 0,1%

Dibutyl phthalate (DBP) 0,1%

Di isobutyl phthalate (DIBP) 0,1%

Rade Koncar Kontaktori I relei does not perform analytic testing on our products to determine any presence of the above RoHS Restricted Substances.

Rade Koncar bases its knowledge on information provided by our supply confirmed by appropriate certificates and believes it to be true. To the best of our knowledge, unless listed below, the above substances are not intentionally or knowingly used as ingredients in products manufactured by Rade Koncar. The above substances are not expected to be present above the regulated threshold limits, and our manufacturing processes are not expected to introduce or create these substances.

The information below provides the current product status according to regulations in force at the date of public action in this present document. Any future changes, either in product design or in the Directive, may change the status reported here.

Sincerely yours

Velibor Ivanovski, general manager
