DECLARATION OF CONFORMITY - (PPWR)

Regarding Packaging and Packaging Waste Regulation (EU) 2025/40

1. Product Family & Packaging Identification:

- Products Covered: Rade Koncar's Contactors, Thermal Overload Relays, Rotary cam Switches, Molded Case Circuit Breakers, Motor Protection Circuit Breakers, Pushbuttons, Plastics Enclosures and all Standard Series and Variants of this products

2. Manufacturer Details:

- Company Name: Rade Koncar - Kontaktori i Relei DOO
- Address: 3-ta Makedonska Brigada No.54, 1000 Skopje, North Macedonia
- Email / Phone: rk@radekoncar.com.mk / +389 2 2461 109

3. Statement of Compliance:

We hereby declare under our sole responsibility that the packaging used for the transport and protection of the product family listed above complies with the essential requirements of Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR).

4. Core Compliance Criteria:

- Heavy Metals & Substances Restriction (Article 5): The sum of concentration levels of Lead, Cadmium, Mercury, and Hexavalent Chromium in the cardboard, inks, and adhesive tape does not exceed 100 mg/kg in total (compliant with EN 13695-1).
- Packaging Minimization (Article 9): The packaging volume and weight are optimized to the minimum necessary to guarantee mechanical protection and safety of the heavy electrical components during transport.
- Design for Recycling (Article 6): The primary and transport packaging consists strictly of paper/cardboard, ensuring 100% compatibility with standard paper recycling streams.

5. Material Composition (Recycling Codes):

- Main Packaging Body: Corrugated Cardboard (PAP 20 / PAP 21)
- Accessories: Adhesive sealing tape / glue (<5% of total packaging mass).

6. Technical Documentation:

Technical documentation demonstrating compliance according to Annex VII of the PPWR is maintained at the manufacturer's address and will be made available upon request.

Sincerely yours

Velibor Ivanovski, general manager

Skopje, 18.10.2026
